- ✓ Emerging technologies will be examined for educational benefit and the school
  - ☐ leadership team will ensure that appropriate risk assessments are carried out before use in school is allowed.
- ✓ ☐ The school will ensure that appropriate filtering and monitoring systems are in place to prevent staff and pupils from accessing unsuitable or illegal content.
- ✓ The school will take all reasonable precautions to ensure that users access only appropriate material. However, due to the global and connected nature of Internet content, it is not always possible to guarantee that access to unsuitable material will never occur via a school computer or device.
- ✓ The school will audit technology use to establish if the online safety (e–Safety) policy is adequate and that the implementation of the policy is appropriate.
- ✓ Methods to identify, assess and minimise online risks will be reviewed regularly by the schools leadership team.

#### **5.2. Internet use throughout the wider school/setting community**

- ✓ The school will liaise with local organisations to establish a common approach to online safety.

- ✓ The school will work with the local community's needs (including recognising cultural backgrounds, languages, religions and ethnicity) to ensure internet use is appropriate.
- ✓ The school will provide an Acceptable Use Policy for any guest/visitor who needs to access the school computer system or internet on site

### **5.3 Authorising internet access**

- ✓ The school will maintain a current record of all staff and pupils who are granted access to the school's devices and systems.
- ✓ All staff, pupils and visitors will read and sign the Acceptable Use Policy before using any school resources.
- ✓ Parents will be informed that pupils will be provided with supervised Internet access which is appropriate to their age and ability.
- ✓ Parents will be asked to read the Acceptable Use Policy for pupil access and discuss it with their child, where appropriate.
- ✓ When considering access for vulnerable members of the community (such as with children with special education needs) the school will make decisions based on the specific needs and understanding of the pupil(s).

## **6. Engagement Approaches**

### **6.1 Engagement and education of children and young people**

- ✓ An online safety (e-Safety) curriculum will be established and embedded throughout the whole school, to raise awareness regarding the importance of safe and responsible internet use amongst pupils.
- ✓ Education about safe and responsible use will precede internet access.
- ✓ Pupils input will be sought when writing and developing school online safety policies and practices, including curriculum development and implementation.
- ✓ Pupils will be supported in reading and understanding the Acceptable Use Policy in a way which suits their age and ability.
- ✓ All users will be informed that network and Internet use will be monitored.
- ✓ Online safety (e-Safety) will be included in the PSHE, SRE, Citizenship and Computing/ICT of study, covering both safe school and home use. programmes
- ✓ Acceptable Use expectations and Posters will be posted in all rooms with Internet access.
- ✓ Safe and responsible use of the Internet and technology will be reinforced across the curriculum and within all subject areas.
- ✓ External support will be used to complement and support the schools internal online safety (e-Safety) education approaches.
- ✓ The school will reward positive use of technology by pupils.
- ✓ The school will implement peer education to develop online safety as appropriate to the needs of the pupils.

### **6.2 Engagement and education of staff**

- ✓ The online safety (e-Safety) policy will be formally provided to and discussed with all members of staff as part of induction and will be reinforced and highlighted as part of our safeguarding responsibilities.

- ✓ Staff will be made aware that our Internet traffic can be monitored and traced to the individual user. Discretion and professional conduct is essential when using school systems and devices.
- ✓ Up-to-date and appropriate staff training in safe and responsible Internet use, both professionally and personally, will be provided for all members of staff in a variety of ways, on a regular (at least annual) basis.
- ✓ All members of staff will be made aware that their online conduct out of school could have an impact on their role and reputation within school. Civil, legal or disciplinary action could be taken if they are found to bring the profession or institution into disrepute, or if something is felt to have undermined confidence in their professional abilities.
- ✓ ☐ Members of staff with a responsibility for managing filtering systems or monitor ICT use will be supervised by the Leadership Team and will have clear procedures for reporting issues or concerns.
- ✓ The school/setting will highlight useful online tools which staff should use according to the age and ability of the pupils.

### **6.3 Engagement and education of parents and carers**

- ✓ İHSANE TUNA DIRAVACIOĞLU PRIMARY SCHOOL recognise that parents/carers have an essential role to play in enabling children to become safe and responsible users of the internet and digital technology.
- ✓ Parents' attention will be drawn to the school online safety (e-Safety) policy and expectations in newsletters, letters, school prospectus and on the school website.
- ✓ A partnership approach to online safety at home and at school with parents will be encouraged. This may include offering parent evenings with demonstrations and suggestions for safe home Internet use or highlighting online safety at other well attended events e.g. parent evenings, transition events, fetes and sports days.
- ✓ Parents will be requested to read online safety information as part of the Home School Agreement.
- ✓ Parents will be encouraged to read the school Acceptable Use Policy for pupils and discuss its implications with their children.
- ✓ Information and guidance for parents on online safety will be made available to parents in a variety of formats.
- ✓ Parents will be encouraged to role model positive behaviour for their children online.
